"CREATING THE POSSIBILITIES"

## STUDENT MEDIA RELEASE FORM

Many of the activities and events taking place at the AFRL La Luz Academy are of interest to the public. Often civic, educational, student and other groups are interested in learning about our activities and events. From time to time, we produce, or allow to be produced, publications, photographs, video recorded programs, and films for non-commercial use to provide information to the public about our activities and events.

In addition, commercial newspaper coverage, broadcast television programs including newscasts, and cable television programs, sometimes feature our activities and events. When any such article, videotape, film, or photograph is produced and released, it becomes the property of the party to whom it is released, and it may be replayed or reprinted at a later date. This is true with any newspaper or magazine.
